Check the Balance of Your Vacation Hours

As a Ventura County employee, your vacation hours accrue up to a maximum limit. It's important to draw down any excess hours before you reach the accrual cap to avoid losing the

value of those hours. To do so, sign in to your [VCHRP](#) portal to check your current balance and determine if you've exceeded the maximum limit. From there, you can contribute up to 40 unused vacation hours, by clicking "Donate My Hours" or simply email ac.payroll@ventura.org with your employee ID number and the number of hours you wish to donate back into our local health care system!
