Dear Ventura County Employees,

As we approach the end of 2024, I want to express my gratitude for your ongoing support of Health Care Foundation for Ventura County (HCFVC) and the mission to exclusively strengthen Ventura County Health Care Agency's (VCHCA) ability to provide high-quality healthcare for all. VCHCA serves as your healthcare delivery system, and with your support, HCFVC helps provide essential medical equipment, impactful youth programs, and services for vulnerable populations, bridging critical gaps in local healthcare.

As a Ventura County employee, you can make a meaningful difference by participating in HCFVC's initiatives like [WeGive Employee](#), [WeGive Retirees](#), and [Planned Giving](#). With the year quickly coming to a close, I am pleased to offer some end-of-year reminders and updates from HCFVC.

Consider creating a lasting legacy by purchasing an [engraved brick](#) for the Healing Garden at Ventura County Medical Center. Further, HCFVC now offers three new tax-deductible giving options: [cryptocurrency](#), [stock](#), and [Donor Advised Funds](#). Finally, as a token of our appreciation, every Ventura County employee and their friends and family now have access to [complimentary will and trust resources](#). This is a perfect opportunity to start or update your estate plan, ensuring the well-being of your family and your financial health.

Thank you for inspiring HCFVC's efforts to build a healthier and more philanthropic Ventura County!
